SOCIÉTÉ CROATE DE LA GÉOTECHNIQUE

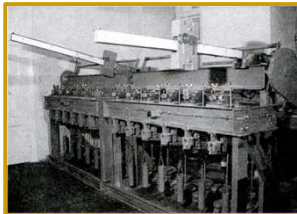

## Na Skupštini HGD 26.02.2020., naslov zaslužnog člana dobio je profesor Heinz Brandl

### Em.O.Univ.-Prof., Dipl.-Ing. Dr.techn. Dr.h.c.mult. Heinz BRANDL

Professor Brandl has been full University Professor for Geotechnical Engineering since 1977 chairing the Geotechnical Institute founded by Professor Terzaghi in 1928 at the Vienna University of Technology. Since 2009 he is active as Prof. Emeritus.

Profesor Brandl bio je redoviti profesor geotehnike i predstojnik Geotehničkog instituta koji je 1928. godine osnovao profesor Karl Terzaghi na Tehničkom sveučilištu u Beču (TU Wien) od 1977. do 2009. godine od kad je aktivan kao profesor emeritus.

equipment developed by A. Casagrande and K. Terzaghi at TU Wien

### Em.O.Univ.-Prof., Dipl.-Ing. Dr.techn. Dr.h.c.mult. Heinz BRANDL

Professor Brandl has been, since 1963, fully responsible for nearly 4000 projects in engineering practice, thus intensively combining research and development, theory and practice.

Profesor Brandl je od 1963. godine, bio odgovoran za blizu 4000 inženjerskih projekata, intenzivno povezujući istraživanje i razvoj, teoriju i praksu.

## Na Skupštini HGD 26.02.2020., naslov zaslužnog člana dobio je profesor Heinz Brandl

### Em.O.Univ.-Prof., Dipl.-Ing. Dr.techn. Dr.h.c.mult. Heinz BRANDL

Professor Brandl's creative work comprises about 550 scientific publications (partly translated into 18 languages). Since 1968 he has been active world-wide as chairman, general reporter, keynote lecturer etc. at numerous international conferences on geotechnical engineering, geosynthetics, road and environmental engineering.

Profesor Brandl je objavio oko 550 znanstvenih radova, koji su dijelom prevedeni na 18 jezika. Od 1968. godine aktivan je u cijelom svijetu kao predsjedavajući, pozvani predavač ili slično na mnogobrojnim međunarodnim konferencijama o geotehničkom inženjerstvu, geosinteticima, cestama i okolišnom inženjerstvu.

### Em.O.Univ.-Prof., Dipl.-Ing. Dr.techn. Dr.h.c.mult. Heinz BRANDL

Professor Brandl served as Secretary of the Austrian Geotechnical Society in 1968 – 1972 , 1972 – 2015 as President, which is a global record in the history of ISSMGE. In 2015 he became Honorary President.

Professor Brandl was council member, voting for the Austrian Member Society of ISSMGE in period 1968-2015 which is worldwide record in the history of ISSMGE

Profesor Brandl je bio tajnikom Austrijskog geotehničkog društva u periodu 1968.-1972., te predsjednikom u periodu 1972.-2015., što je svjetski rekord u povijesti ISSMGE, a 2015. je postao počasnim predsjednikom.

Profesor Brandl je tako u ISSMGE predstavljao Austriju u periodu 1968.-2015.

### Em.O.Univ.-Prof., Dipl.-Ing. Dr.techn. Dr.h.c.mult. Heinz BRANDL

Professor Brandl is a member of the Royal Academy of Sciences of Belgium, of the International Academy of Engineers (Moscow) and other Academies.

Profesor Brandl je član Belgijske kraljevske akademije znanosti, Međunarodne akademije inženjera sa sjedištem u Moskvi, kao i drugih akademija.

Profesor Brandl je surađivao u preko 100 zemalja svijeta na svim kontinentima. Dobio je mnoge nacionalne i međunarodne nagrade, počasne doktorate i druge počasti.

His international activities have covered more than 100 countries on all continents. He received numerous national and international awards, honorary doctorates and other honours.

Professor Brandl gave an invited lecture in our XI DANUBEAN EUROPEAN conference POREČ 1998 with title Foundation strengthening and soil improvement for scour-dangered river bridges

Professor Brandl je održao pozvano predavanje na našoj Podunavskoj Europskoj konferenciji POREČ 1998 s naslovom Foundation strengthening and soil improvement for scour-dangered river bridges

### Em.O.Univ.-Prof., Dipl.-Ing. Dr.techn. Dr.h.c.mult. Heinz BRANDL

Professor Brandl delivered the first Nonveiller Lecture Deep and shallow compaction of soil and other granular materials, which was delivered in Zagreb in 2000. Nonveiller Lectures are organized in honour to our Professor Ervin Nonveiller.

Professor Brandl je održao prvo u nizu Nonveiller Lecture 2000. godine, Deep and shallow compaction of soil and other granular materials.

Ova predavanja održavamo u čast našem profesoru Ervinu Nonveilleru

Professor Brandl gave a lecture at our conference VARAŽDIN 2016 with title

Floods – stability and failures of dykes

Professor Brandl je održao pozvano predavanje na našoj konferenciji VARAŽDIN 2016 s naslovom Floods – stability and failures of dykes

geotechnical aspects of damages caused by natural phenomena  
geotehnički aspekti nestabilnosti građevina uzrokovanih prirodnim pojavama  
**Varaždin 2016**

Em.O.Univ.-Prof., Dipl.-Ing. Dr.techn. Dr.h.c.mult.  
Heinz BRANDL

Therefore the Board of the Croatian Geotechnical Society proposes that we invite Professor Brandl to become member of the Croatian Geotechnical Society as a honorary member.

Zato Upravni odbor Hrvatskog geotehničkog društva predlaže da Profesor Brandl postane počasni član HGD. Pozivamo Skupštinu da aklamacijom prihvati ovaj prijedlog.

Thank you,  
Professor Brandl,  
for all of your contributions  
and support you gave  
to our Society!

Thank you very much!
