THE 18TH INTERNATIONAL CONFERENCE ON SOIL MECHANICS AND GEOTECHNICAL ENGINEERING

→ September 2-5, 2013

French Society for Soil Mechanics and Geotechnical Engineering

International Society for Soil Mechanics and Geotechnical Engineering

CHALLENGES & INNOVATIONS IN GEOTECHNICS

CALL FOR ABSTRACTS GUIDELINES FOR THE MEMBER SOCIETIES

Please find below the instructions for abstract submission to the 18th International Conference on Soil Mechanics and Geotechnical Engineering, Paris, 2013.

A two-step abstract submission process is now available on the conference website:

- Step 1: Individual submission of abstracts by the members to their Member Societies and selection process by the Member Societies
- Step 2: Submission of selected abstracts by the Member Societies to the Organizing Committee of the Conference

First step submission:

- [If you want to use the website for the abstract selection process](#)

Please instruct your members to submit their abstracts directly through the Conference website: <http://www.issmge2013.org>, via the box: “Click to submit your paper”.

You will receive a login and password which will give direct access to all the abstracts submitted to your Member Society.

You will need to make the final abstracts selection before April 15th 2012

- [If you prefer not to use the website for the abstract selection process](#)

You make your own arrangements for managing the selection of abstracts submitted by your members, before April 15th 2012.

Second step submission:

Before April 15th 2012, all Member Societies have to submit their final selection of abstracts to the Organizing Committee via the Conference website (in accordance with their allocated quota).

- [If you have chosen to use the website for the abstract selection process](#)

You will have access to the list of all the submitted abstracts.

In that list, you will be able to select the abstracts to be submitted to the Organizing Committee by ticking a box in the appropriate column on the left side of the website page.

- [If you have not chosen to use the website for the abstract selection process](#)

You will receive a login and a password in order to upload the selected abstracts on the Conference website; you will have to tick the box to confirm the abstracts to be submitted to the Organizing Committee (there will be a column on the left side of the website page).

From April 16th 2012: analysis by the Organizing Committee of all the abstracts submitted

June 2012: notification of abstracts acceptance by the Organizing Committee
