

# 10th Conference of the Croatian Geotechnical Society

ISRM Specialized Conference

*Geotechnical Engineering in Soft Rocks and Heterogeneous Rock Masses*

12–14 November 2026 | Split | Radisson Blu Resort & Spa

## About the Conference

The 10th anniversary conference of the Croatian Geotechnical Society will bring together leading engineers, scientists, and experts in the fields of geotechnical engineering, civil engineering and engineering geology from Croatia and abroad. More than 200 participants are expected, who will present the latest scientific and professional achievements through lectures and presentations.

## Conference Topics

Engineering behaviour of soft rock and heterogeneous rock masses	Site investigation, testing and engineering geological models
Analysis and numerical modelling in soft rocks and complex ground	Slopes, excavations and ground stability in soft rocks
Underground structures and foundations in soft rocks	Construction practice, monitoring, risk and case histories

## Conference Program

12 November (Thursday)	Registration   Conference opening   21st Nonveiller Lecture   Welcome cocktail
13 November (Friday)	Invited lectures   Paper presentations   Conference closing   Gala dinner
14 November (Saturday)	Technical excursion

## Invited Lectures

## Sponsorship Packages

### PLATINUM SPONSOR – upon agreement

#### GOLD SPONSOR – 4.500 EUR

- Logo in the conference program
- Logo on the back cover of the conference proceedings
- Logo on the conference website
- Advertisement in the conference proceedings (full page)
- Registration fee for 1 participant

#### SILVER SPONSOR – 3.000 EUR

- Logo in the conference program
- Logo on the back cover of the conference proceedings
- Logo on the conference website
- Advertisement in the conference proceedings (½ page)

#### BRONZE SPONSOR – 1.500 EUR

- Logo in the conference program
- Logo on the back cover of the conference proceedings
- Logo on the conference website

#### + EXHIBITION SPACE – 750 EUR

- Must be combined with a sponsorship category
- Space for company presentation during the conference
- Registration fee for 1 participant

## Why Become a Sponsor?

- Present your company to Croatian and international professional audiences
- Networking with leading experts and researchers
- Increased visibility within the geotechnical community
- Opportunity for new business and professional partnerships

## Contact

**Assoc. Prof. Goran Vlastelica, PhD**

President of the Croatian Geotechnical Society
